

KEY ATTRIBUTES:

- Refurbishment and remodeling works to modernise library in the heart of Muswell Hill
- New lift installation to improve accessibility within the Grade II listed building

MUSWELL HILL LIBRARY

Refurbishment and remodelling works were carried out at Muswell Hill Library, a Grade II listed Neo-Classical building at the heart of the community offering a range of services and facilities. Open since 1931, the library hosts regular events for adults and children, including film showings and book readings by best selling authors. It provides a cultural hub for the local community.

Works to improve accessibility and modernise the space included:

- Internal refurbishment with new partitions, doors, floor coverings, signage and redecoration
- M&E works in support of interior layout and fire safety
- Installation of intruder alarms and IT installations
- Basement floor works in support of M&E installations
- Installation of a new lift to improve accessibility
- Interior design of library spaces to modernise and better facilitate library floor walking

Social Value Delivered:

- Employability workshops at Greig City Academy, Harris Academy and Mulberry Woodside.
- Collaboration with Muswell Hill Sustainability Group to set up a sustainability programme with local primary schools
- Careers Fair in collaboration with Haringey Works
